

CHOOSE BETWEEN COMPETITIVE, ECONOMICAL AND TRADITIONAL DESIGNS IN ALL THREE STANDARD SHAPES.

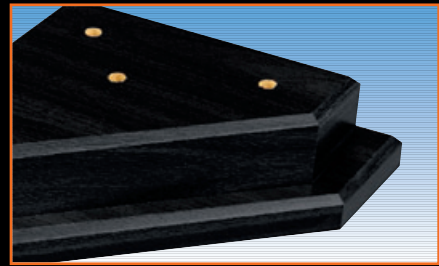

Whatever your budget, PDU offers post base components for any large trophy need. Our lids are a full $\frac{3}{4}$ " thick and have countersunk holes that enable you to profitably compete on low budget awards. Separately packaged bases, blocks and lids provide you with total flexibility to control your costs and inventory.

With PDU's unique post base system, you can align your costs with your customer's budget, and give them a distinctive award of unmatched quality and design, every time.

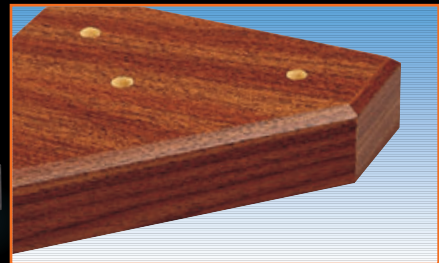

Post Base Sets are offered in five different finishes of Walnut, Cherry, Black Marble, White Marble and Black Oak.

BLACK OAK

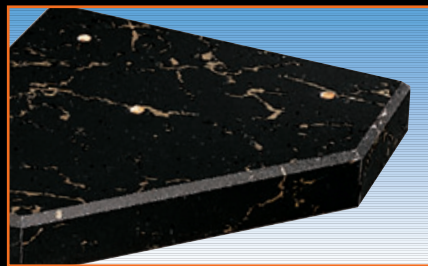

CHERRY

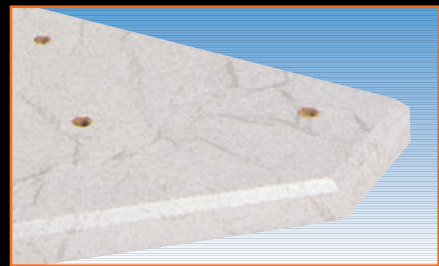

WALNUT

BLACK MARBLE

WHITE MARBLE

TRADITIONAL

Multi-level bases feature the heaviest weight and the most elegant styling for prestigious awards.

ECONOMICAL

Using block bases offers a quality award at a more affordable price than conventional multi-level bases.

COMPETITIVE

Countersunk holes in $\frac{3}{4}$ " thick lids allow them to be used as bases or lids. Ideal for budget awards instead of having to drill plaques.
